# Susan's Story

Susan Allen is an Intuitive Healer and Medium who began studying mediumship and mysticism in her late teens. Susan can connect with both humans and animals at their soul level. She's been communicating with animals since childhood.

**“My whole life, I've always felt empathically what others were feeling. Now I believe it's always been Spirit, too.”**

Susan has spent decades cultivating the spiritual gifts she was born with. As a former Ford Model, Art Dealer, and a Real Estate professional, Susan has found mediumship to be her truest calling.

**“Mediumship healed me. It wasn't until I started meditating and trusting my intuition that I fully embraced my unique gifts to help others heal, too.”**

Susan believes in healing through mediumship and honors the next level in her life as a working Medium.

**“I love talking to dead people.”**

Susan shares her gifts through authentic, insightful, and transformative readings. Susan has helped countless clients around the world connect with loved ones—both people and pets, present and passed. The messages she conveys are deeply touching.

# SOUL SPEAK

What makes Susan's gift truly special is her ability to communicate on a soul level with humans and animals through SOUL SPEAK, a name that came to her through meditation. She conveys messages from clients' loved ones and pets, past and present.

Susan's channeling through pets and people, brings next level healing to her clients, their pets, and their environment. The channeled information that Susan provides is insightful, powerful, and truly useful.

Susan extends her gifts beyond individual sessions, offering mentorship and spiritual teaching to those seeking to enhance their own intuitive abilities. Through one-on-one guidance, she empowers students to tap into their innate connections. Her nurturing approach helps others trust their intuition and deepen their understanding of the interconnectedness between all beings.

**“Rarely do I give recommendations. Susan Allen is a special exception. Susan's gift of Spirit comes with extraordinary knowingness, delivery of truth, and purposeful direction. I was fascinated by Susan's enormous depth of information, love of helping, and caring delivery. A genuine breath of fresh air, ready to change your life.”**
